Cyber Awareness Training on MarineNet

- This course will fulfill the requirement for new civilians reporting to Marine Corps Forces Command (MARFORCOM) as well as annual training requirements needed to access USMC unclassified networks.
- If you have questions concerning this training please contact Wanda Phillips at (757) 836-1718 or Tess Acosta at (757) 836-1560.

COURSE DEVELOPMENT
If you are a civilian or non-DoD individual and you would like a MarineNet account, please Sign Up for a New MarineNet Account requesting a MarineNet account. Your eligibility information will be verified against the Defense Enrollment Eligibility Reporting System (DEERS). If you are registered in the DEERS, you will likely have access to MarineNet. If you are not in DEERS, an alternate path for MarineNet Account creation is also available through the Sign Up for a New MarineNet Account process.
Once you have logged into MarineNet, you can access the Actions menu on the left navigation bar to access your transcript and the course catalog. MarineNet News and Information is accessible from the right navigation bar. Learn about the latest MarineNet has to offer by reviewing these articles.
Will your computer support courseware? Check out the MarineNet Software Baseline Requirements.
Learning Resource Centers
Access to electronic courseware is available from any network-connected PC. However, the CDET has fielded more than 40 learning resource centers (LRCs) to provide service to Marines who do not have a computer available to them regularly. For a complete list of learning resource centers and their locations, visit the LRC Site Listing.
